

Online Aryabhat Astronomy Quiz 2021-22

Details of the Quiz

☛ The Organisation :

Aryabhat Foundation is a dedicated endeavor for promotion of Astronomy and Basic Science. The movement had started in 1995, which has now taken a shape of a duly registered social service organisation. Backed by a group of people dedicated to their duties towards the society, the organisation is committed to make learning Basic Science more enjoyable for the youngsters, thus urging them to develop a science based temperament.

☛ The Program :

Astronomy is not only a constructive hobby for the children but can also prove to be a pathway to a bright future for youngsters aspiring of a challenging career in space technology.

The Astronomy Quiz is aimed at developing the interest of the school students in this field through practical exposure. The quiz is a two-tier competition consisting of a preliminary test followed by a practical test. The preliminary test is a cream separation exercise and shall be conducted online for the current academic year.

Selected participants will qualify for the secondary level by merit in the preliminary test. These participants will be given a free study kit, and will be allotted time-slots for hands on experience of telescope-operation, sky reading and practical Astronomy in evening / night camps at our Bhopal Centre. The lodging-boardings for these participants shall be free. Participants who fail to avail the training opportunity will not be included for the secondary-level.

The secondary level test shall be held in December, for those qualifying in the preliminary level. This test is meant to examine the ability of the participants in practical Astronomy. Final winners will be selected on the basis of their overall performance. Contestants will not be paid TA or DA at any stage.

☛ Eligibility :

Students from class 6 to class 9 (both inclusive) from any school situated in Madhya Pradesh are eligible to take part in the quiz.

☛ Entry Fee :

Waived for all participants.

☛ Online Preliminary Test :

The Astronomy Quiz consists of questions on basic Astronomy & Space Science, which shall be a part of general awareness for a school student.

Preliminary test consists of 20 objective type questions for each participant, to be attempted in 180 seconds. Five marks will be awarded for a correct answer and two marks will be deducted for wrong one. Score will appear on-screen upon finishing the test.
